

Bath & North East Somerset Libraries
Design a Future Library Competition
12 Feb- 20 April 2024

What will libraries of the future look like?

We want you to design a future library. How do you think libraries will look and be used in the next one hundred years? How will people borrow books and find information out? Let your imagination take you on a journey into the future. Running in partnership with Bath Spa University.

We want you to use your design and imagination skills to design a future library. Your design could be a picture, a plan or even a 3D model.

Name.....

B&NES library card number.....

Category entering (under 11, 12-17, 18+).....
